

Capability Statement

PIPE & STEEL SUPPLY, LLC

www.dspipeandsteel.com

1301 Wicomico Street Baltimore, MD 21230 (410)539-8000 (800)-368-8880

Core Competencies

- Wide range of Industrial Piping Products
- Complete Structural Steel Service Center
- Miscellaneous fabrication
- Next Day Delivery
- Operate 24 Hours a Day
- Professional Resourcing of Material
- Technical Product Support on Industrial Products

Company Product Data

Pipe	Carbon Steel	Sch. 40, Sch.80, XH, Seamless, Pressure Pipe
	Copper	Tubing Type L, K, M, ACR
	PVC	Sch. 40, Sch.80, CPVC, Fiberglass, Containment

Valves

Gates, Globes, Butterfly, Balls, Check Valves, Strainers

Fittings

Butt Weld, Weld Neck, Slip On, Flanges
 Forged Steel, Socket Weld, Threaded
 Grooved End, Black, Galvanized, Stainless
 Copper, Sweat, Press, Push Connect
 Plastic, Sch. 40, Sch.80, CPVC

Structural Steel

Carbon Steel, High Strength Low Alloy, Corrosion Resistant, Quenched
 Shapes, Angle, Channel, Flat Bar, Tube, Squares, Rounds, Beams
 Weights and Measure Pounds per Linear Foot, Length, Width, Thickness
 Manufacturer Test Reports (MTR's)

Miscellaneous Fabrication

Burning, Cutting, Grooving, Threading
 Galvanizing
 K2 Machining, Fabricating & Finishing Services
Turning, Milling, Grinding, Wire, Screw, Thread, Honing, Tool & Die
Shearing, Forming, Notching, Tube Bending, Mitering, Rolling, Welding
Painting, Powder Coating, Plating, Electro polish

Gasket Materials

Compressed Non-Asbestos, Spiral Wound Semi Metallic

Domestic Water Specialties

Backflow Preventers, Pressure Reducing Valves

Lead Free Products Available

Thermometers & Gauges

Plug Valves Eccentric, Non-Lubricated, AWWA

Specialties Balancing Valves, Steam Traps, Flex Connectors

Supports Hangers, Strut, All Thread, Studs, Nuts, Bolts

Past Performance

We are highly familiar with Washington/Baltimore regional transportation and delivery requirements. For decades, we have maintained productive relationships supplying specialized materials. Customers Include:

- US Military Bases (All Branches)
- Architect of the Capitol (AOC)
- Federal Government Buildings
- Hospitals & Universities
- Mechanical Contractors

Differentiators - Principal Lines

Compliance Certifications

-TWIC Drivers - CAGE #50MD9 - SIC#5051
 -DOT #01640687 - DUNS #800794641
 -NAICS 33299,6423390,423510,423990
 -Government Credit Cards Accepted
